

MOTION BY SUPERVISOR SHEILA KUEHL

October 13, 2015

Crespi Carmelite High School, established in Encino in 1959, serves male students of all ethnic, religious and educational backgrounds who wish to pursue a college preparatory, Christian education in a Catholic environment. Dedicated to excellence and responding to the challenges of education in our time, they offer a holistic model of education emphasizing spiritual, intellectual, moral, physical and social development.

Crespi Carmelite has partnered with Heal the Bay, a nonprofit organization that is working to make Los Angeles County's coastal waters safe and healthy for people and marine life.

As part of the school's social development program, Crespi Carmelite held its annual Beach Cleanup Days on Monday, October 5, 2015 through Thursday, October 8, 2015. Locations included Dockweiler, Zuma and Venice Beach. It has been the high school's tradition that each day after beach cleanup, the students are able to swim and enjoy the beach they have just served.

**I, THEREFORE, MOVE** that the Board of Supervisors waive beach use fees in the amount of \$750.00, excluding the cost of liability insurance, for participants of the Crespi Carmelite High School Beach Cleanup Days.
